Gratitude

The Annual Ride for Breast Cancer

The Nicky Aiken Memorial Ride for Breast Cancer was held on Sunday, June 7, 2009 at Henry of Pelham Family Estate Winery. The event was hosted by the Upper Canada Equestrian Association. The horses and riders took a beautiful scenic ride through Shorthills Provincial Park. Much gratitude and kudos to Debi Katsmar and her club members for coordinating an incredibly successful event and for raising \$10,000 through pledges and donations. Special thank-you to the staff and guests of Henry of Pelham who collected donations to support this event. Also, thank-you to Kathy Evans and Pete Duffin of the band 'Barnhouse Static' who performed during the ride.

Rebecca Garrat's Passion for Pink Celebration

On May 4th, Rebecca, along with her mom Kathy Garrat, hosted a birthday party in honour of her grandmother and aunt who had passed away from breast cancer. At the age of 13, Rebecca opted out of the coming of age party. Instead she rented a community centre and invited class mates to dress in pink. In lieu of gifts, Rebecca and her friends raised \$975.00 for breast cancer.
